

Preparing for your first Learning Plan Self Assessment Questionnaire

(adapted from gptt: general practice training Tasmania with kind permission)

This should be completed prior to your first meeting with your medical educator to discuss your learning plan. It may also be helpful in subsequent meetings.

1. Past medical education

What post graduate medical education events (courses, workshops, tutorials) have you attended? (include approximate date and brief description of event)

Have you received any feedback (formal or informal) about your performance from your previous rotations?

2. Personal assessment of ability

What is your assessment of your personal and professional strengths and weaknesses?

	Personal	Professional
Strengths		
Weaknesses		

3. Gaps in knowledge and skills

Do you have any areas of knowledge and skills you would like to develop further?

4. Learning style

What is your preferred learning style (eg. Passive, self directed, small group work...)

What has been your best learning experience?

5. Training Plans

What are your training plans for the short term (this year)?

What are your plans for the medium term (end of training)?

Do you have any plans for the longer term (beyond training)?

Learning Needs Self Assessment Proforma: Shorter Practice-Based

Conditions seen in Practice

1. Of the following conditions please rank the 5 most relevant in your practice? (1 being most prevalent)

- | | |
|--|---|
| <input type="checkbox"/> Aged care | <input type="checkbox"/> Men's health |
| <input type="checkbox"/> Alternative medicine | <input type="checkbox"/> Mental health |
| <input type="checkbox"/> Cancer & palliative care | <input type="checkbox"/> Paediatrics |
| <input type="checkbox"/> Dermatology | <input type="checkbox"/> Public health incl immunizations, travel medicine, infectious diseases and STI |
| <input type="checkbox"/> Diabetes | <input type="checkbox"/> Respiratory incl asthma |
| <input type="checkbox"/> Drug and alcohol | <input type="checkbox"/> Urology |
| <input type="checkbox"/> Emergencies, incl trauma and orthopaedics | <input type="checkbox"/> Violence, incl child abuse |
| <input type="checkbox"/> ENT | <input type="checkbox"/> Women's health, incl O&G, family planning |
| <input type="checkbox"/> Eyes | <input type="checkbox"/> Other |
| <input type="checkbox"/> Heart disease, incl hypertension | |
| <input type="checkbox"/> Investigations | |

Confidence in Practice

2. Please list 5 clinical areas in which you feel the least confident in patient management (1 being the least confident). The list below may give you some ideas.

1. _____
2. _____
3. _____
4. _____
5. _____

Aboriginal health
Abuse
Domestic violence
Aged care and geriatrics
Alternative medicine
Ante natal care
Asthma
Audiology and hearing disorders
Breast screening/cancer
Cardiac conditions
CPR & first aid
Dermatology
Diabetes
Drug & alcohol dependence
Emergency medicine & trauma
Endocrinology
ENT
Ethnic health

Excision of lesions
Family medicine
Family planning

Gastroenterology
Hypertension
Immunizations
Infectious diseases
Injury management
Men's health
Mental health
Musculoskeletal therapy
Neonatal medicine
Neurology
Nutrition, obesity, dietetics
Obstetrics & gynaecology
Occupational rehabilitation
Oncology

Ophthalmology
Orthopaedics
Paediatrics
Palliative care
Pathology
Pharmacology & prescribing
Post natal care
Psychotherapy
Radiology
Renal conditions
Respiratory conditions
Rheumatology
Sexual health
Stress management
Surgery-general
Toxicology
Travel medicine
Urology
Women's health

3. Do you have any specific areas or procedures in which you would like further education?

4. What are your preferred modes of learning?

- ☐ Didactic lecture/presentation
- ☐ Completely hands on practical workshop
- ☐ Mix of lecture and hands on practical workshop
- ☐ Group discussion (including case-based and case-conferencing)
- ☐ Attachment to hospital or specialist clinic
- ☐ Distance education eg CD ROM, video/DVD, written packages, journals, literature search and references/books, email
- ☐ Live distance education eg. Satellite broadcasts, videoconference, teleconference, internet
